Marsha Fuerst School of Nursing
Associate Degree Nursing Program

Dear Approved Nursing Program Director:

The California Board of Registered Nursing (Board), at its Board meeting on August 21-22, 2024, agendaized the following item at the April 18, 2024, Education/Licensing Committee (ELC) meeting:

8.5 Discussion and possible action regarding acceptance of substantive changes to an approved program (BPC §2788; 16 CCR §1432). Marsha Fuerst School of Nursing Associate Degree Nursing Program (feasibility for an alternate campus in Citrus Heights, California)

The Board voted to defer the approval of the substantive change(s) requested by an approved program and defer the approval of the feasibility study for an alternate campus in Citrus Heights, California for Marsha Fuerst School of Nursing Associate Degree Nursing Program with a request to look at different site.

If further information is needed, please do not hesitate to contact your assigned Nursing Education Consultant as you work to revise your feasibility study.

Sincerely,

A handwritten signature in blue ink that reads "Loretta Melby".
