Report Suspicious

Hello Katie,

I am unable to attend the Board Meeting this week because of my work schedule, however I see that Samuel Merritt expansion is on the agenda and I wanted to share the concerns that I shared directly with Carmen in October 2024. The proposed expansion is not small and the Sacramento Region is significantly impacted with school growth.

I would like to share these concerns directly with Board Members, however I am unable to locate Board Member emails through the BRN website. Are you able to assist in forwarding this email? Or pointing me to contact information for the Board Members?

Thank you, Shana
